🎓 Education

3 year Diploma, M.H Saboo Siddik Polytechnic, Mumbai
June 2020 — June 2023

👥 Internships

A to Z IT solution, Mumbai
July 2022 — August 2022

I have had the opportunity to work closely with various hardware components and learn about their functionality, compatibility, and application in different scenarios. This hands-on experience has significantly enhanced my technical knowledge and problem-solving skills.

★ Project

Network Security Monitoring System

A security monitoring system with session time monitoring, user management, and a dedicated workspace is an essential tool for businesses and organizations that prioritize data security and privacy. With the ability to track and monitor user sessions, the system provides valuable insights into user activity and behavior.
